The Removable Bodied **Fire Retardant**

Sackholder available in 17 and 64 litre capacities, perfect for busy or compact spaces. The most popular of our fire retardant bin range, this bin can be taken apart for ease of cleaning. Manufactured to contain a well at the bottom, to prevent the risk of liquids spilling onto the floor.

Manufactured from Zintec steel, the Fire Retardant litter bin undergoes a multi-stage degreasing and washing process, giving it superior durability and protection.
